

THE ICON PALETTE

Upon opening, ReferenceWorks will display an Icon Palette on the left of your computer screen. Using these icons is an easy way to open ReferenceWorks' windows. A click on an icon opens its window, giving you access to the features of searching, graphing, looking into the materia medicas, writing notes, etc. You can also open these windows through the Windows menu or the corresponding keyboard shortcut commands. In the following pages, we will explain how to take full advantage of the various windows.
